Brand-mark

Logo Mark

This logo mark should be used in places where the full logo cannot be portrayed.

Primary Logo

Logo Formats

This version should be used when the logo is the only element in view (E.g App loading/splash screen, back of businesscard, Mug e.t.c.)

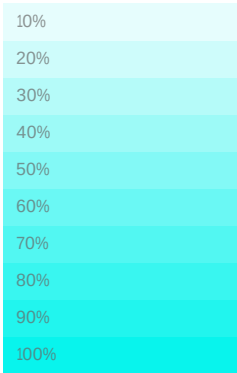

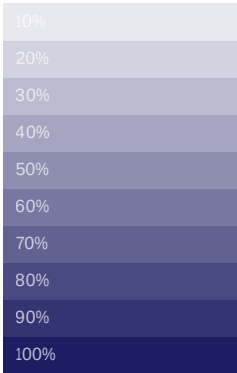

This version should be used when the logo is in view with other elements (E.g website header, letterhead, e.t.c.)

Colors

Color Palette

Our color palette reflects our brand personality and should be used consistently across all materials.

Deep Blue
#1D1D63 / Primary Color

Bright Turquoise
#08F4ED/ Secondary Color

Charcoal
#333333/ Secondary Color

Typography

Typography is a crucial component of our brand identity. It not only communicates our message but also reinforces our brand's personality and values. Our selected typefaces are chosen for their readability, versatility, and alignment with our brand's modern and professional image.

Digital Banners

A digital banner with a dark blue background. On the right, a woman with curly hair, wearing a colorful patterned top, is looking at her smartphone with a surprised expression. To her left, the text 'Finance Technology' is displayed in white and teal. Below it, the phrase 'Explore The future' is written in white. In the bottom left corner, there is a small globe icon and the website 'the-technest.com'. The Technest logo is in the top right corner. Faint hexagonal patterns are visible in the background.
